DETERMINATION OF NONSIGNIFICANCE

Description of proposal: *The proposal is an update to Milton Municipal Code section 16.84 – "Transportation Impact Fee and Mitigation Program." The update includes adopting a new traffic impact fee study, as well as an updated traffic impact fee, based on the work done in updating the City of Milton's Comprehensive Plan and Transportation Improvement Plan.*

Proponent: *City of Milton*

Location of proposal, including street address, if any: *The proposed amendment to the Municipal Code will apply to the entire City of Milton.*

Lead agency: *City of Milton (hereinafter, "the City")*

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

☐ There is no comment period for this DNS.

☐ This DNS is issued after using the optional DNS process in WAC 197-11-355. There is no further comment period on the DNS.

■ This DNS is issued under WAC 197-11-350; the lead agency will not act on this proposal for 14 days from the date below. Comments must be submitted by 7/24/15.
