Q2 What qualities best define YOUR vision of what Milton will look and feel like 20 years from now? For example: Will Milton maintain its quiet neighborhood feel, or will it become a booming metropolis? Will we have sidewalks and trails connecting our parks, schools and shopping centers, or will the City be dominated by automobiles and the need to drive? (Hint: there are NO wrong answers. Whatever YOU believe Milton should look like in 20 years, is the correct answer.)

1	keeping it small in vision and providing walking and sidewalks in all area's	8/20/2014 10:00 AM
2	I would like to see Milton move away from the smaller town feel to a newer more modern feel.	2/6/2014 4:27 PM
3	Rural but accessible. I would love to see a city center of some kind, something that would define our city, less abandoned business buildings and more walkways around the streets.	12/29/2013 9:16 AM
4	Balanced with small town with nature. Enough business and retail for small town. Not trying to compete with big towns	12/14/2013 12:21 PM
5	I definitely do not want to see a bunch of new businesses on Meridian. It will make Milton feel like South Hill which is dirty and not neighborly.	12/1/2013 7:57 PM
6	First of all, I love Milton the way it is. I grew up here and I think the city is doing a superb job. :D Over the years as changes have been made I have always enjoyed them. I can't remember a single change that I didn't like. If Milton were the same as it is now in 20 years, I would be happy as a clam. Or if Milton makes more changes over the course of 20 years, I would probably enjoy that too. (Because whoever decides the changes around here seems to do a really good job.)	11/26/2013 4:22 PM
7	Sidewalks!	11/25/2013 9:36 PM
8	I would like to see sidewalks along Taylor	11/6/2013 12:02 PM
9	Keep Milton rural	10/21/2013 2:09 PM
10	Small town with family oriented businesses and a lite night life for the community.	10/9/2013 10:47 AM
11	Keep it small town, but bring back the fireworks, things like that make the city unique and different.	10/7/2013 12:38 PM
12	Milton has become a desirable bedroom community because of its stringent but fair code enforcement which provides an assurance to the residents that property improvements won't be in vain.	10/2/2013 2:01 PM
13	Maintain rural atmosphere	9/24/2013 8:39 PM
14	A community with easy access to everything we need.	9/13/2013 6:43 AM
15	A golf cart community for those who need it otherwise a lot of walkers, bicyclists, we need to get cutting edge on our electricity, encourage and go after grants for solar use - especially all new public buildings!	8/22/2013 7:27 PM
16	Established neighborhoods with sidewalks. Increased business/economic development. Safe side streets.	8/20/2013 9:06 PM
17	You need to bring in more family friendly businesses and food places. But don't slow traffic down. One reason I like it is that it is quick to get in and out of when there are no places to eat in town.	8/20/2013 6:44 PM

18	The multifamily dwellings and shopping centers should stay in the large traffic areas such as Meridian and Pac Highway. The older areas should stay as is but with more sidewalks and parks where people can take walks. Similar to the Mayberry show. Bus service should always be available in Milton.	8/17/2013 8:25 PM
19	If and when the 167 interchange is ever done, that would definitely increase traffic flow. Is that good or bad is up for interpretation. Definitely would be good for business.	8/15/2013 11:25 AM
20	Small Town with unique businesses connect through sidewalks and trails including an interconnected street grid system.	8/13/2013 9:02 AM
21	I am concerned that big business will ruin the small town...money seems to always win, regardless of th outcome	8/12/2013 2:34 PM
22	Sidewalk and trail expansion to meet Edgewood Interurban trail across Meridian Hwy.	8/9/2013 3:24 PM

1	My biggest concerns are that in my neighborhood there has been new apartments and condos and now a new retirement apartment complex. Traffic and speeding has increased on my street year after year with no plans for a solution. I live very close to the trail right off enchanted parkway and see all the increased traffic and speeds while people are trying to walk or ride to and from the trail. Putting traffic lights along Milton way was a very poor decision from the get go. I don't see the forward thinking that is needed to increase the value of living in Milton.	2/6/2014 4:27 PM
2	I live on 23rd ave and people are always speeding up and down the street and peeling their tires at the stop signs and sometime I see people flying right through the stop signs without even slowing down and I think the police need to watch 23rd ave and emerald street more	12/7/2013 12:51 AM
3	Milton should stay small. I do wish there were more sidewalks and crosswalks.	12/1/2013 7:57 PM
4	Milton is a wonderful and welcoming town to all and I wouldn't have it any other way. When the issue of diversity comes up, the implication is race. I don't care what the people moving in next door look like and I don't believe our govt should care either.	11/6/2013 12:02 PM
5	Visioning is good but implementation is tough with limited budgets. I would suggest meeting with developers and local business, along with the FME Chamber of Commerce to attract local small town businesses and how best to bring them to the community. All of these groups are important in developing and funding a good plan.	10/9/2013 10:47 AM
6	Shame that the business area at the tip of the park look so run down -- especially the convenience store. There should be standards that businesses must maintain.	10/2/2013 2:01 PM
7	Keep town small and rural,	9/24/2013 8:39 PM
8	Diversity is improving in Milton, the community is evolving in a very positive direction, the events committee did a great job of organizing the "Days" The park is not used to it's capacity, the park folks need to see what they can come up with.	8/22/2013 7:27 PM
9	Take a drive down canyon road in Puyallup, then take a drive down south hill. I would much rather be like canyon road and draw some real businesses in and keep things spread out. We do not want to be another south hill. Always keep traffic flow as top priority. Build some modern office and dental offices together and combine it with physical therapy and massage and yoga studios. How nice would it be to have one place on the hill to go and u have several choices for healthcare all in one place and they have the latest and greatest resources. That would bring jobs and money onto the hill.	8/20/2013 6:44 PM
10	Leavenworth Wa, has a variety of restaurants and shops in it main corridor. Growth is primarily focused in town. Neighborhoods primarily left as is. It would be nice if Milton was setup similar. We could use the Mill Town theme. We could partner with Edgewood on development of the city core (businesses). If this happened , it would be nice to a have a community shuttle.	8/17/2013 8:25 PM
11	while some change is ok trying to make Milton into a place that causes people to turn away because it has changed to an unfriendly place.	8/12/2013 2:34 PM
