1. Approval of Minutes

Approval of:

- Minutes
 - 8/16/2016

Linda **MOVED**, seconded by Monica to approve the minutes as presented - **PASSED 4/0**

2. Public Comment

Citizens Name	Comment
Nate Styron	Came out to thank the board for all they do in the city, and to ask about renaming the lower ball field after his late son Carson Styron.
Ashley Fuchs	She attended the city council meeting on 9/16/16 and was under the impression they were going to recommend to the Parks Board to add the renaming of the ball field to their agenda. She was curious why it wasn't on the agenda yet.
Heather Popp	Milton Days was a lot of fun this year. She especially enjoyed the Parks Board "Ugly Dog Contest" Concerned that Mayor Perry and Jack Chandler were on TV showing plans for the 9-11 Memorial. Was under the impression they needed to share their plans with the Park Board but to her knowledge that hasn't happened.

3. Emails Received None

4. State of the Parks report

Jamie Carter discussed

- The West Milton Ball Field, the fact that it's sinking and what it would take to reverse the process.
- Painting the skate park – paint VS stains that are available.

5. WTC Update None

6. Fun Run Update None

7. Skate Park Event Update

Monica called Go-Skate they can come out they provide two instructors for \$329.

If we could have Matthew come out as well as Go-Skate to instruct kids in 4th-6th grade it could really be fun. Questions arose as to who would pay the \$329.

8. Member Comments

Monica asked about the overflow of Political Signs around town, is it legal to have them everywhere what is the law regarding these, if any?
