Dear Mayor Debra Perry:

This letter is a follow-up to my previous correspondence of June 26, 2015, regarding jail rates for 2016. On July 22nd, the SCORE Administrative Board adopted the 2016 rates. Those rates are as follows: guaranteed bed rate is \$105, and the non-guaranteed bed rate is \$157. SCORE will also be eliminating our previous "Specialty Housing Surcharge" for inmates in medical, mental health, or restrictive housing.

The majority of the rate increase in 2016 is for additional medical and mental health staffing. Like most jails, SCORE has seen an increase in both the volume and severity of medical and mental health issues and this increase allows us to continue to provide the excellent care that we have become known for.

SCORE and our medical provider, Correct Care Solutions, are now one of only three jails in Washington State that have earned the prestigious accreditation through the National Commission on Correctional Health Care.

SCORE's sole source of funding is from our Member Cities and contract agencies. SCORE actively seeks out grant opportunities and has implemented inmate service charges, to assist in recapturing costs when possible. SCORE understands the impact our rates have on our Member and contract agencies. As such, we will continue to strive to ensure that we operate this facility in the most efficient and cost effective manner while maintaining officer and inmate welfare and safety at all times.

A contract Amendment to reflect the 2016 rates is attached for your signature. Please return two (2) copies of the signed Amendment by December 31, 2016.
