

Home Occupation Permit Exemption

I _____ (print name)
owner of _____ (print business name)
located at _____ (insert address)
do not have any clients or customers coming to my home as a function of my
home occupation business, and am therefore exempt from the requirement to
obtain a home occupation permit.

I understand that if my business model changes, to where I have clients and/or
customer visiting my house as part of the home occupation business, I am
required to apply for and receive a home occupation permit.

The exemption from the requirement to obtain a permit does not exempt me
from the performance standards of the home occupation ordinance (MMC
17.44.090).

**I certify under penalty of perjury under the laws of the State of Washington
that the above statement is true and complete to the best of my knowledge.**
