**Minutes for June 19, 2012 Approval** MOTION to accept by Glen, 2<sup>nd</sup> by Maggie, approved 4-0

**Agenda Items:**

The last sergeant's test was in 2008. We hired an assessment center which cost several thousand dollars. We were able to borrow the assessment center from Bonney Lake. It had four components: Oral Board, Tactical, Personal Improvement Plan and Leaderless Group. Each element was worth 25% of the score. It went very well and the only costs were lunch for the assessors. Several assessors asked for copies of the process to use at their department. We felt it went very well.

**MOTION** to certify Sergeant's list Diane, 2<sup>nd</sup> Maggie, approved 4-0.

**Police Report**

If you're interested in the Chief's weekly pass down – send him an email.

They've been very busy this past month. Many burglaries, car prowls and drug busts.

There is a Director's meeting tomorrow to discuss a \$400K general fund shortage.

We are still looking at going with Puyallup for our dispatch services which will save money.

We are looking at moving the court to Puyallup which will also save money. The two court employees will probably be offered a job in Puyallup. Our current judge is on a two year contract. The prosecutor and public defender will be from Puyallup which is additional savings. Puyallup holds court four days a week.

The fifth day would be for Milton.

Milton Days went off without a hitch. A lot of people participated and it went very well.

**Adjournment** at 7:23 p.m.
