TYPE OF ACTION:

Information Only Discussion Action Public Hearing Expenditure

Recommended Motion: “I move to authorize the Mayor to sign the contract with R.E. Sides Landscaping Inc. for \$87,920.00 which includes applicable sales tax, to install a complete irrigation system at the West Milton Ball Field.”

Issue: The West Milton Ball Field was recently filled and leveled. In order to keep this facility in peak operating performance the City wishes to install irrigation to protect the fields. In order to meet the seeding window for this year, the work should be accomplished before October.

Discussion This project was accounted for in the 2020 budget. The project is proposed to be paid for by Fund 310.

Public Works solicited 6 companies and received one quote for \$80,000 plus tax. This amount will include all necessary machinery, labor and parts to complete the irrigation system. This does not include the water meter or the wiring for the control box. Both of these items can be accomplished with city utility crews.
