**Agenda Items:**

Chief Rhodes requested a lateral police officer list. He may be losing an officer.

We have 3 names on the active candidate list so no oral board is needed. MOTION to prepare the list Maggie, 2<sup>nd</sup> Glen, Approved 4-0.

*Update: An additional candidate has been added to our candidate list. An oral board will be on Friday, January 13.*

**Police Report**

Chief is meeting with Buckley and Puyallup to firm up negotiations about radio communication. Narrow band requirement by January 2013.

SS911 would be about \$15,000/officer which is too expensive. Fife is with this system so that might make our negotiation a little complicated.

We will hire a code enforcement officer in 2012.

**Adjournment** at 9:17 a.m.
